## WINGING IT

### Abu Dhabi

Fast cars? Check. Pristine beaches? Check. ROLLERCOASTERS? Check. And see those clouds outside? There's none of that where we're heading. Call us big kids, but with all that and the below, you can consider us sold on Abu Dhabi...

## Pearl Diving

Soak up some culture with an Abu Dhabi pearl journey on a traditional dhow. Gliding over the Arabian Gulf, you'll discover the importance of pearls to Emirati culture (divers used to spend up to four months at sea seeking out pearls), shuck an oyster (or two) and, if you're lucky, come away with your very own pearl. ## Ferrari World Abu Dhabi

Unless you're Jenson Button, Ferrari World Abu Dhabi is the closest you'll ever get to living the life of a Formula 1 driver. If you can't make November's Etihad Airways Abu Dhabi Grand Prix, but have nerves of steel (or a strong faith in engineering), why not jump on the Formula Rossa? With a top speed of 149mph, it's the fastest rollercoaster on the planet – so fast, in fact, that you need to wear protective

goggles. They're pretty fetching, TBH.

## Park Hyatt Abu Dhabi

For understated glamour check into the Park Hyatt Abu Dhabi, a tranquil retreat located on Saadiyat Island's coast. The hotel adopts the ethos of 'less is more' – in glitzy terms anyway. That's not to say it forgoes luxuries – expect grey- and cream-coloured interiors, four swimming pools, a two-storey spa and 9km of beach to stroll on, with turquoise water and zero rain pretty much guaranteed. We're all zenned out just thinking about it.

# WEIRD WORLD

New York, US

Weird or wonderful? It depends how often you plague your friends with Anchorman quotes. If that's something you do regularly then you may want to check out 'Stay Classy New York', a new Will Ferrell-themed bar in the city's Lower East Side. There's Ron Burgundy posters galore and a drinks menu saturated in Ferrell quotes (Smelly Pirate Hooker, Milk Was A Bad Choice...). The owner has described it as a place where blokes can sit and have a drink without being intimidated by loud techno music. Ours is a scotch. Scotchy, scotch, scotch.
